

## Brian Krasko, CCCA, LEED AP BD+C

### Associate, Construction Administrator

---

#### About

Brian brings over 15 years of construction management experience to Kohler Ronan's construction administration department. With a keen attention to detail, and a thorough understanding of system requirements, he oversees the construction of the firm's projects from issuance of construction documents to building occupancy. Brian is dedicated to ensuring that the quality of building systems installations meets that which designs have specified. To this end, he also manages the resolution of any process-related issues that may arise.

Brian's portfolio includes projects spanning several market segments and varied building types. He has served colleges and universities, public and private schools, corporations, commercial spaces, and cultural institutions.
