

Christian Nugent

Senior Electrical Engineer

About

Christian joined Kohler Ronan's electrical department in 2017. From our New York office, he has gained a variety of project experience which includes academic and cultural institutions as well as residential properties. Within his portfolio are projects for institutions such as Colgate University, Columbia University, The New York Public Library, and the 92Y.

As Sr. Electrical Engineer, Christian is responsible for electrical systems design and related equipment selection. He also works to ensure coordination with his colleagues in other engineering disciplines.
