

## Emily Velez

### Fire Protection Engineer

---

#### About

Emily brings over 15 years of experience to Kohler Ronan. In her role as a fire protection engineer, she has had the opportunity to design systems for multiple building types, including academic and cultural institutions as well as healthcare and recreation establishments serving the community.

As Fire Protection Engineer, Emily is responsible for fire protection systems design for new and existing buildings, full coordination with all trades and architectural elements, and code compliance and specifications review for designed systems.

---
