## FULL-TIME EMPLOYMENT OPPORTUNITY ELECTRICAL ENGINEER, New York, NY

Kohler Ronan, LLC is a leading Consulting Engineering Firm with offices in New York, NY, and Danbury, CT. We specialize in the design of building systems for commercial and institutional projects, delivering innovative and sustainable design solutions to diverse clients. Currently, we are seeking an **Electrical Engineer** for an entry-level position at our New York City office. This full-time position is an excellent opportunity to work alongside industry experts and contribute to exciting, high-profile projects.

As an Electrical Engineer, you will play a key role in designing electrical systems for a variety of projects, including museums, performance centers, academic institutions, collaborative workspaces, and high-end residences. You'll enjoy a collaborative environment that values independent thought, creative solutions, and quality design.
