## FULL-TIME EMPLOYMENT OPPORTUNITY MECHANICAL ENGINEER, New York, NY

Kohler Ronan, LLC is a leading Consulting Engineering Firm with offices in New York, NY, and Danbury, CT. We specialize in the design of building systems for commercial and institutional projects, delivering innovative and sustainable design solutions to diverse clients. Currently, we are seeking a talented and experienced Mechanical Engineer for our New York City office. This full-time position is an excellent opportunity to work alongside industry experts and contribute to exciting, high-profile projects.

As Mechanical Engineer, you will play a key role in designing mechanical systems for a variety of projects, including museums, performance centers, academic institutions, collaborative workspaces, and high-end residences. You'll enjoy a collaborative environment that values independent thought, creative solutions, and quality design.

### QUALIFICATIONS

- 5-10 years of experience in a similar role within an engineering or related environment
- Familiarity with Autodesk REVIT MEP, AutoCAD MEP, and Microsoft Office

### SKILLS

- Ability to analyze information critically and accurately
- Strong written and verbal communication skills
- A meticulous, detail-oriented approach to solving complex problems
- Capability to manage and organize multiple tasks and responsibilities
- Ability to collaborate in team setting
- Self-motivated and able to work independently when required

### BENEFITS

- Competitive Salary
- Health Benefits
- 401K Plan
- Paid Vacation
- Profit Sharing Plan
- Long and Short-term Disability
- Life Insurance
- Educational Opportunities
- Flexible Schedule
- Summer Hours

### SALARY

Range: \$110,000 - \$175,000 (total compensation depending on experience)
