

Edward A. Ruggiero, RCDD, TLT

Senior Associate, Technology Design Specialist

About

Ed is a technology and security consultant professional with over twenty-five years of related industry experience. He is proficient in the design of the latest electronic security systems and associated cabling and infrastructure, and is an expert in the design of structured cabling systems in support of high-speed voice/data and video, LAN, WLAN, and CATV distribution systems.

At Kohler Ronan, Ed's primary responsibilities include management of the technology department and the oversight of IT design and the design of MDF rooms, server rooms, and data centers. Further, he and his team have successfully designed information technology, av, and security systems for multiple building types including corporate, municipal, medical, academic, and cultural facilities.
