

Joseph Lembo, PE

Partner

About

Mr. Lembo is a highly energetic and much valued partner at Kohler Ronan. During his tenure, he has created innovative designs for an extensive portfolio of institutional, commercial, residential, academic, cultural, and recreation projects. He has done so with the utmost attention to project detail and emphasis on client satisfaction. Mr. Lembo's responsibilities at the firm range from those of project manager to partner-in-charge. In each role, he exhibits strong and consistent leadership with vast industry knowledge and experience. As partner, Mr. Lembo remains active in engineering design and assumes ultimate accountability for the quality control of his projects.
